

Siskiyou Joint Community College District

(College of the Siskiyou)

This district was established July 1, 1957. Dr. Greenshields was the first president of the college, which is located in Weed, California.

The College of the Siskiyou opened its doors for the first student body on September 8, 1959. In its initial year of operation, the college offered a program of courses for college freshmen. The second year, both freshman and sophomore college students were admitted.
