

Siskiyou County Special Education School Accountability Report Card Reported Using Data from the 2019-2020 School Year Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Mission Statement:

Our goal is to provide a free and appropriate public education to all our children in the least restrictive environments. We endeavor to support and educate children in partnership with general education utilizing collaboration and coordination of services.

Description:

Siskiyou County Office of Education provides special day class programs for students with moderate to severe disabilities through the guidelines of the Special Education Local Plan Area (SELPA - Special Education Services). We serve students from birth to 22 years of age throughout Siskiyou County in separate classes that are located on regular education campuses. The students are provided with specialized instruction in areas related to their individual education plans. We provide trainings for the general education staff in working with our special education students.

We provide programs such as Work Ability, which is a school-to-work program for youth in special education and Learn to Earn, which provides work-based learning experiences leading to successful transition to employment. We provide advanced training to promote the involvement of key stakeholders including students, families, educators, employers and other agencies in planning and implementing an array of services that will culminate in successful student transition to employment, lifelong learning and quality of life.

In addition we offer a variety of Health and Student Services providing students, staff, and schools with a safe and healthy working and learning environment to facilitate an environment that promotes a health-oriented lifestyle and provides an opportunity to learn about decisions which affect our health for a lifetime.

Disclaimer: The information provided in this SARC has been entered to the best of our knowledge. With the reduction of data normally populated in the SARC template by the California Department of Education and lack of clarity of how the data is obtained, we have found it very difficult to know how to calculate and populate certain aspects of this SARC.

School Facility Conditions and Planned Improvements

Siskiyou County Special Education provides 13 classrooms on campuses in local school districts across Siskiyou County. We have a team of 4 full-time maintenance custodians and 1 part-time custodian to ensure that classrooms and restrooms are kept clean and safe, providing a safe clean environment for students, staff and volunteers.

The Risk Control Manager of InterWest Insurance Services, Inc., Philip Clark of Keenan and Associates, and HUE & Cry Security System, Inc. evaluate and inspect for adherence to safety protocols at regular intervals to ensure compliance with all applicable health and safety codes. In addition, site-teachers are required and trained to populate the Monthly Self Inspection Tool to identify, document and request any needed repairs, upgrades, hazardous conditions or safety violations in writing to our Maintenance Supervisor, Leroy Shipley. Each of our facilities meet the Williams Act criteria.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are involved in the educational program for their children through the annual Individualized Education Plan meetings. Their child's program is designed for the school year. Three year reevaluation assessments meetings are also held to update the eligibility for special education services for each child. Parents are kept informed of their student's progress in school on a daily basis through parent/teacher communication verbally or in writing. Parents are also given quarterly written progress reports on their child's individual goals and objectives. Parents are invited to participate in classroom activities throughout the year such as; field trips, special projects and classroom observations and others. The SELPA has at least three CAC meetings to discuss the program and concerns they may have. The CAC meetings also provide an opportunity for trainings.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The Special Education Department is committed to providing a safe and secure campus for all students, parents, and staff. Each individual SCOE classroom is covered by a site-specific safety plan developed by the District and site that hosts each SCOE class. Those plans are comprehensive, include coordination with all countywide government agencies, and ensure that SCOE students on each campus will be provided with the support and services needed in an emergency. Each staff member is certified in CPR annually and each classroom is provided with a safety backpack for emergency situations. Student specific safety procedures are reviewed annually for each student. Our SCOE classes are required to practice fire, intruder, and evacuation drills as part of each school site safety plan.

All teachers have been trained in the UNIQUE Curriculum. Teachers have also been trained and will continue to be trained in the Crisis Prevention Instructional Program. In addition, teachers are getting professional development in the areas of autism and other instructional strategies through conference attendance. Teachers are supported during implementation by program managers in the adoption of Common Core Curriculum. Our Paraprofessionals receive training at the beginning of the year to support them in working with students that have challenging behaviors.
