

## **Delphic School District**

The Delphic District was established in 1919. The school house is four miles east on Oberlin Road from the junction of Oberlin Road and Interstate 5. It is probable that this district is a continuation of the original Oberlin School District. As far as can be traced, the school house is on its original site.

The first teacher of the Delphic District, 1919-1920, was Mr. August Geney. His salary was \$95.00 per month. The teacher for the 1920-1921 school year was Frances E. Wixson. His salary was \$880.00 for the year.
