

Greenview School District

The Greenview District was established in 1903. It has a long history of territory exchanges and boundary changes. The school house still stands on the original site and is now being used as a community church.

The first teacher, in 1903, was Miss Minnie E. Patton. School was held for six months with an enrollment of 15 pupils. School was last held in Greenview in 1952. The teacher was Mrs. Velda Ball. Only grades 1, 2, and 3 were held that final year. The district was annexed to Etna in 1959.
