

## **Grenada School District**

The present town of Grenada was founded in 1916. Prior to that time there was only a railroad siding and section house at that site. The town was named Granada by the Southern Pacific Railroad Company.

The Grenada School District was established in 1918. Before the first school was built in 1919, school was held in a room of the Pool Hall. Miss Mary Quadros was the first teacher. The original school house was located on the corner of Siskiyou Boulevard and Siskiyou Avenue in Grenada. A grocery store is now located on the site. The second school house, a two-story frame building was located on the same site as the present school playground built around 1920. As this school, became obsolete, the present school was built in 1952.
